Act 89 Funded Route 2031 Lincoln Way Pavement Work Begins Today in White Oak

Pittsburgh – PennDOT is announcing lane restrictions on Route 2031 (Lincoln Way) in White Oak Borough, Allegheny County, will begin ~~Wednesday, July 1~~ Wednesday, July 8 to accommodate paving improvements.

Single-lane alternating traffic will occur on Route 2031 between Westmoreland County and Oakview Street from 8 a.m. to 4 p.m. through ~~Tuesday, July 7~~ Wednesday, July 15.

The project, part of a $4.14 million contract to resurface four roadways in Allegheny County, includes milling and resurfacing, bituminous pavement installation and pavement marking improvements. Funding provided by Act 89 will enable PennDOT District 11 to resurface over 160 miles of roadways in Allegheny, Beaver and Lawrence counties in 2015.

Crews from A. Folino Construction and Tresco Paving will conduct the work.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 770 traffic cameras.
511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
