**rideacta** airport corridor transportation association

RideACTA costs only 25¢ a ride (Seniors 65 + and kids under 5 are free, Kids 6-11, and persons with disabilities are 15¢). All of our vehicles are ADA Compliant, have free wi-fi, and offer a last-mile shuttle service that transports people between the IKEA Super Stop and 250+ local businesses (all trips must start or end at IKEA).

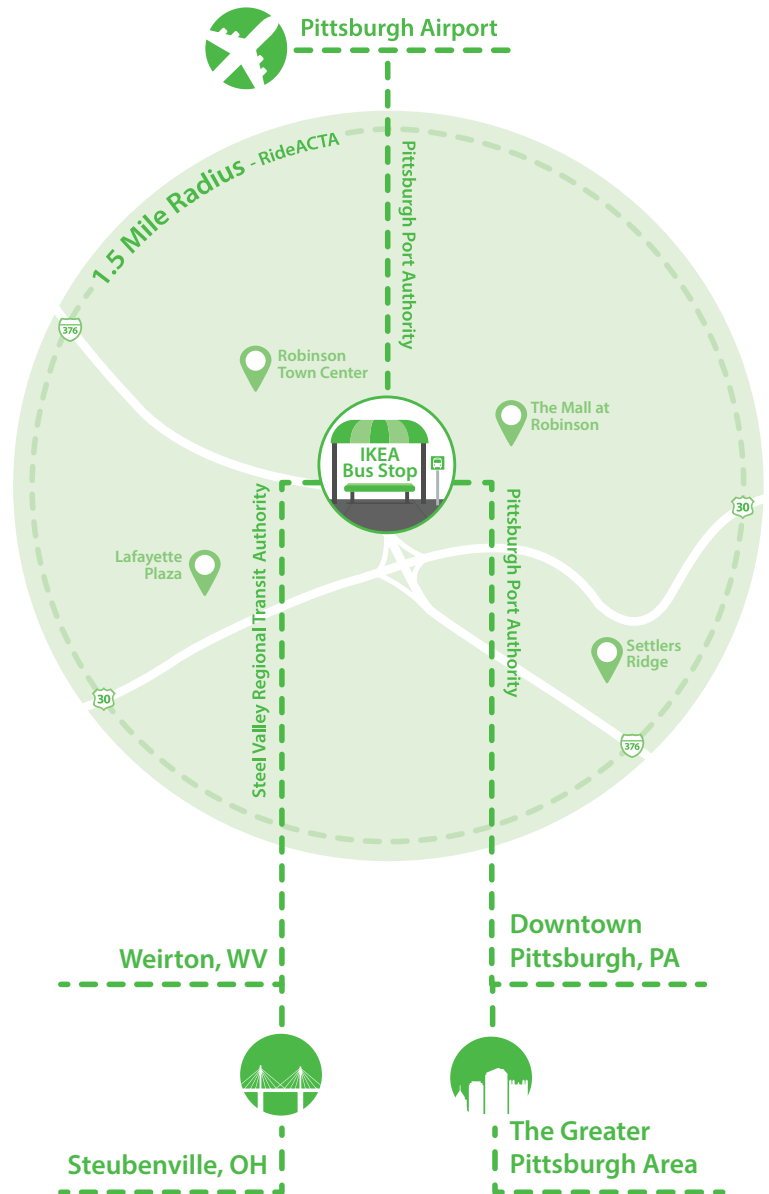

Use the *TransLoc App* for RideACTA – an easier way to get your ride. It's as simple as a few clicks on your smartphone to schedule your ride more efficiently. Riders can also call.

SVRTA costs 50¢ a ride or \$30 for an annual pass and offers fixed routes throughout Steubenville, one through Mingo Junction, and a flexible service route between Winterville and Steubenville.

We also offer Paratransit, which is a specialized service for people with disabilities who are not able to ride fixed-route public transportation.

Use the *SVRTA App* to view bus routes and schedules, to call for Paratransit service or to purchase a low-cost annual pass.
