

Get Up and Get Going

in a way that is affordable, reliable, safe, and convenient for you!

Brought to you by: RideACTA, Steel Valley Regional Transit Authority and CommuteInfo

We have solutions in your area that can realistically fit into any budget.

RideACTA costs only 25¢ a ride (Seniors 65+ and kids under 5 are free, Kids 6-11, and persons with disabilities are 15¢). All of our vehicles are ADA Compliant, have free wi-fi, and offer a last-mile shuttle service that transports people between the IKEA Super Stop and 250+ local businesses (all trips must start or end at IKEA).

Use the *TransLoc App* for RideACTA – an easier way to get your ride. It's as simple as a few clicks on your smartphone to schedule your ride more efficiently. Riders can also call.

SVRTA costs 50¢ a ride or \$30 for an annual pass and offers fixed routes throughout Steubenville, one through Mingo Junction, and a flexible service route between Wintersville and Steubenville.

We also offer Paratrasit, which is a specialized service for people with disabilities who are not able to ride fixed-route public transportation.

Use the *SVRTA App* to view bus routes and schedules, to call for Paratrasit service or to purchase a low-cost annual pass.
