

Driving Change One Ride at a Time

Improving Pittsburgh's air quality is and always has been at the forefront of ACTA's mission. By encouraging public transit, the RideACTA shuttle, and other alternative, healthier modes of transportation, we are helping to eliminate tons of harmful CO₂ and, in turn, making the region's air more breathable for us all.

 29,750,000 vehicle miles saved

 1,197,779 gallons of gas saved

 875,000 rides provided

 437,000 less cars on the road

 11,708 tons of CO₂ emissions eliminated
