Where is the RideACTA shuttle?
ACTA
PAT

Track the location of the shuttle at any time with the FREE RideACTA app!

This new app features:

- Real time information on the location of the RideACTA shuttles.
- Real time information on the Port Authority of Allegheny County buses.
- Choose your map view! See both RideACTA and Port Authority vehicles simultaneously or each service separately.
- Views of RideACTA stops, including location name.
- Views of Port Authority bus stops.
- Arrows on the vehicle icons show which direction the shuttle is travelling.
- A location map users can manipulate by zooming in and out.

The app is available in the Apple and Google Play stores on your smartphone. Download it today!
